

YOU'RE INVITED...

**to a bridge workshop with Joan Butts
at Peninsula Bridge Club
on Saturday 09 May 2015**

9.30 – 11.30:

Safety Plays

*How to protect a contract when
faced with 'bad luck'*

In this workshop, you will learn how to make a contract even when the suits break badly against you, or there's an unfortunate location of the missing high cards.

Safety plays arise in a variety of situations, so the key to finding them when we are declarer is to ask what could possibly go wrong? Can the contract be defeated if the defenders' cards are distributed badly? If so, what can be done to overcome the bad breaks?

This is a multi-level workshop and *brand new material*, and suitable for all regular players. Come with or without a partner.

Cost: \$15 per member (\$20 visitor).

Bookings: Cath Whiddon (sign up sheet will go up on notice board 17 April).

Address: Peninsula Bridge Club in the Nelson Heather Centre
Jacksons road, Warriewood, Sydney
