

The Margaret Smith Memorial Teams Event

It was another successful and well run day on Sunday 22 November at the Margaret Smith Memorial Teams event, held at the Manly Leagues Club. There were some impressive names in the good roll up of teams entered, and many teams on the waiting list. Peninsula was well represented.

The best team under 200 master-points was won by the **Peninsula** team of Hans Van Weeren, Tom Wykoff, Len Evershed and Heidi Colenbrander - congratulations!.

The Warringah team of Jeanette Weaver, Loraine Neville, Faye Carnovale and Chris Duggin (who are all Peninsula members) did very well to come 9th.

The best Peninsula team went to the Eldridge team consisting of Viven Eldridge, Alan Davies and Maurice and Rachael Loomes.

One result that stood out came in the last round of the day. On board 18, the Baker team (from Peninsula) had a swing +19 imp with the East/West pair of John and Margaret Rogers doubling and redoubling 7NT (after a bidding mishap), and taking the opposition down 3 for a total of 1600; while their other pair of Lyn Baker and Yvonne Perkins were in 3NT making 9. What a way to finish the day.
